

TRIGGER SYSTEMS

INSTRUCTOR: KEN BROOKS

APRIL 11-15, 2022

PREREQUISITE: Successful completion of the Handguns and Rifles sections of the course.

****Note:** *Completion of the Handguns, Shotguns and Rifles is preferred.*

The DF&R Trigger Systems class consists of approximately 15 hours of lecture and 25 hours of hands on bench time.

We will be covering the design, function and repair of multiple trigger systems to include handguns, rifles and shotguns. Students will be performing trigger jobs and repairs on numerous firearms and upon completion of the class will have a strong foundation base of knowledge to diagnose and repair almost any trigger system.

REQUIRED FIREARMS FOR TRIGGERS CLASS:

- **1911
- **Colt SA Army or Clone
- **Remington 700
- **Military Bolt Action with 2 stage trigger pull
- **Double Barrel Shotgun with single trigger
Can be side/side or over/under
- **Remington 870 or 1100 Series
- **AR15 or AK
- **Savage 110 Series
- **S&W Revolver
- **Glock

Firearms Not Required but would be good learning if someone had one to bring!
